

2018 Banquet

Come out and join the CTAS organization for our yearly banquet gathering to share tall tales, view each others successes of the year, and enjoy the comradery that has fueled this community for decades.

We will have live and silent auctions, a guest speaker (MR. TOM CLUM), trophy display, photo contests, and more. A delectable dinner will be provided with your admission and beverages will be available for purchase.

We encourage everyone to participate in the trophy display, photo contest, arrow building contest, and bow building contest. The more participation in these contests, the more engaging and exciting the event will be!
